

GHUSBC ADULT AVERAGE BOOK

2018-2019

Inclusion of Average Notice

The Greater Houston USBC Association has prepared this average book as a summary of the averages for all bowlers who are members of this association. The book lists each certified bowler's 2018-2019 average of 21 or more games as of the end of each league that was turned in to the office by the league secretary.

An official average file is maintained at the GHUSBC Association office located at 2616 Houston Blvd, South Houston, Texas 77587-5146, Telephone Number (713) 874-1277. The file contains information for each bowler which includes the number of leagues bowled, the number of games bowled in each league and the average in each league. This book was published using submitted information.

Bowlers who did not have 21 or more games as of the end of the league or where their names as submitted could not be identified with a membership number are not listed. Information on these bowlers is available only from the official file.

Every effort has been made to keep the book free of errors, however, some may exist. The Greater Houston USBC Association accepts no responsibility for errors in this book, but places the ***FULL RESPONSIBILITY ON THE INDIVIDUAL BOWLER TO USE THE CORRECT AVERAGE IN CASE IT HAS BEEN LISTED INCORRECTLY.***

We would like to express our sincere thanks to the league secretaries who supplied average record sheets on their bowlers and to the association volunteers who assisted with the many details associated with publishing this book.

If you need help with any matter related to your league or to bowling in Houston, please let us know. We are anxious to serve our bowlers in any way possible.
